SUBJECT : Participation in World Youth Festivals: A Comparative  
Tabulation of Data on the 1955 Warsaw and 1957 Moscow  
Festivals.

1. This Tabulation has been prepared in compact reference form, from information obtained through October 1957, to provide data helpful in:

(a) evaluating the relative success or failure of past and future World Youth Festivals, not only internationally but also regionally and nationally; and

(b) counteracting gains of international Communist fronts in certain countries and organizations.

2. The Tabulation may be found operationally useful in:

(a) determining any changes in the areas, countries or organizations that appear to be the primary targets of Communist front activity;
